

## People are at the heart of our work.

Whether we are engaging directly with communities or strategizing in a boardroom, we strive to connect organizations with their potential. TYTHE exists to help organizations better serve their community members. We leverage existing resources to develop creative and innovative solutions that strengthen impact.

**13,500** community members engaged

training with government offices

## We work across industries.

## We collaborate with a wide range of clients

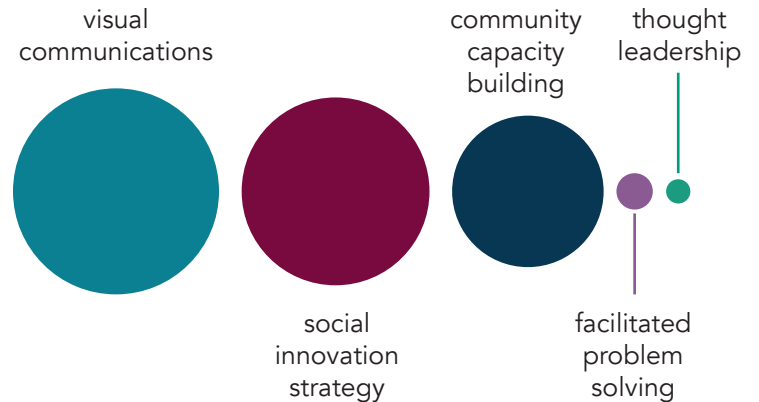

● unique client ● returning client

## Our clients are diverse.

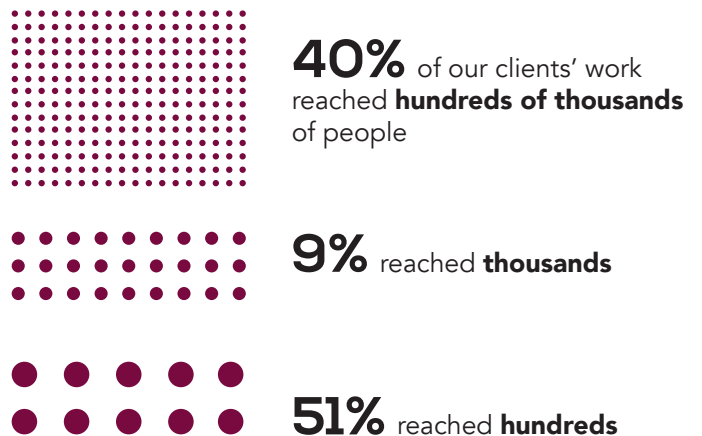

## We use a wide range of approaches.

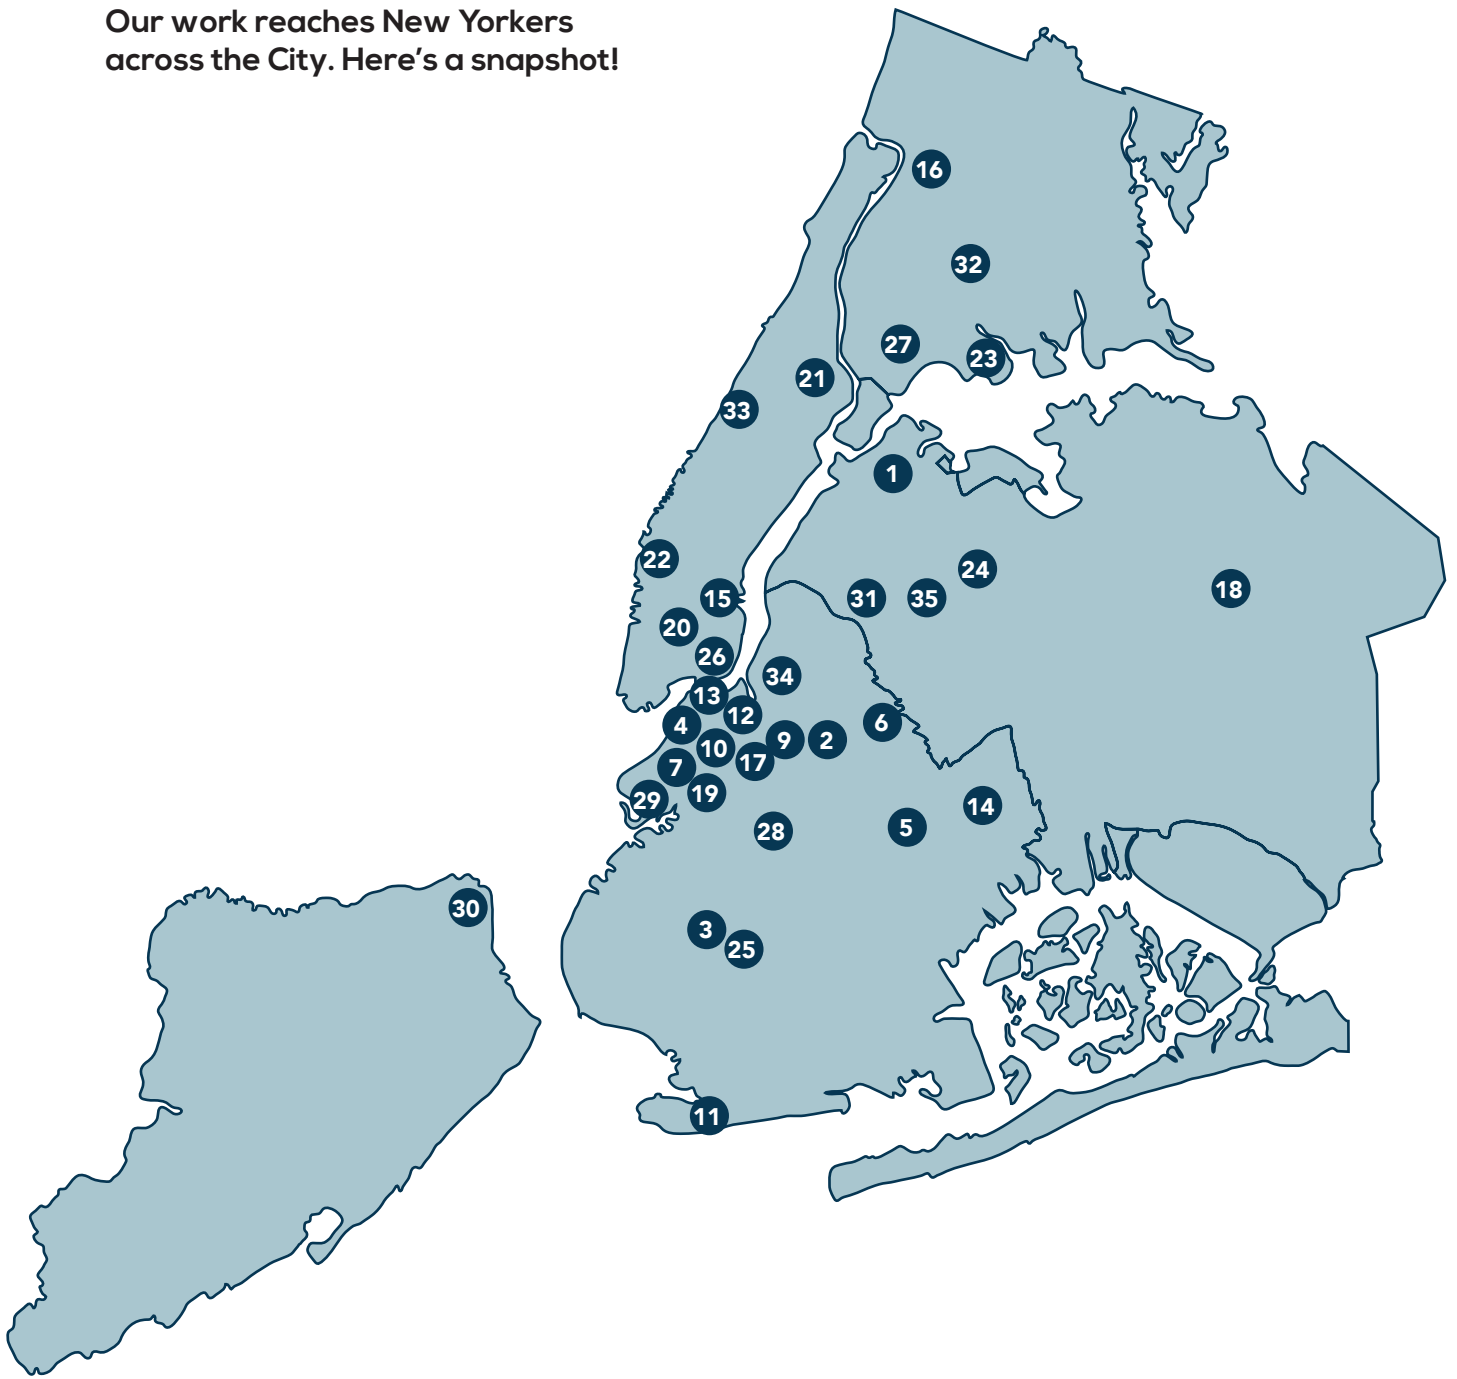

## We work at all scales.

Our projects range from community-driven to city-wide, supporting our clients in improving peoples' lives at all scales. In the past year:

Our work reaches New Yorkers  
across the City. Here's a snapshot!

- |                    |                      |                      |                     |                    |
|--------------------|----------------------|----------------------|---------------------|--------------------|
| 1 Astoria          | 8 Claremont Village  | 15 East Village      | 22 Hudson Yards     | 29 Redhook         |
| 2 Bed-Stuy         | 9 Clinton Hill       | 16 Fordham heights   | 23 Hunts Point      | 30 St. George      |
| 3 Borough Park     | 10 Columbia Heights  | 17 Fort Greene       | 24 Jackson Heights  | 31 Sunnyside       |
